Board Requirements on Re-entry to Practice

SMB	Additional comments
AL	-
AK	
AZ-M	
AZ-O	
AR	The board does not always require fitness-to-practice exam
CA-M	Policy only pertains to those with a canceled license who seek relicensure
CA-O	The Board may review on a case by case basis. May require test and or fitness evaluation.
CO	Medical Practice Act 12-36-114.5 Reentry license and Rule 120
CT	SPEX/COMVEX, CME, fitness evaluation determined on a case by case basis
DE	Board's regulations on re-entry: http://regulations.delaware.gov/AdminCode/title24/1700.shtml
DC	The Board's policy allows for individuals who've been out of practice for less than two (2) years to be approved by staff, but anything longer requires a case by case review by the Board. This may include taking the SPEX, completing CME, or even undergoing a fitness-to-practice evaluation.
FL-M	Re-entry into practice is usually determined by ordering a physician assessment or impairment issue through our PRN
FL-O	
GA	Clinical Skills Exams administered on case by case basis
GU	
HI	
ID	
IL	Our Act and Rules address reactivating or reinstating a lapsed license after meeting certain requirements
IN	SPEX/COMVEX, CME and fitness-to-practice evaluation may be required
IA	If applicant has not had clinical practice in last 3 years, board options for competency eval, SPEX/COMVEX, retraining, or reentry/monitoring
KS	65-2809(i) Reentry License: Authority to issue reentry license with requirements necessary to establish present ability to practice; not adverse to physician
KY	
LA	Fitness-to-practice evaluation administered on case by case basis. The rules for entry or reinstatement are set forth in the rules. Any exceptions to the rules are addressed on a case by case basis by the Board. Otherwise the licensure department would follow the requirements as established by the rules promulgated by the Board.
ME-M	May include completion of a formal program such as CPEP
ME-O	
MD	
MA	SPEX/COMVEX, CME, and fitness-to-practice evaluation administered on case by case basis
MI-M	
MI-O	
MN	
MS	Clinical Skills Assessment if physician has not practiced in last 3 years
MO	SPEX/COMVEX, CME and fitness-to-practice are left to the Board's discretion as authorized by Missouri law
MP	
MT	SPEX/COMVEX, CME, fitness-to-practice evaluation are all optional. ARM 24.156.618 includes all options
NE	SPEX/COMVEX and fitness-to-practice evaluation administered on case by case basis. CME 50 hours of Category 1 AMA approved continuing education required.
NV-M	Must apply as if the applicant has never been licensed by the Board
NV-O	^ If after 3 years without license, must reapply like new applicants; † If license expired 3 years or less, show proof or pay fine for lack of credits
NH	SPEX/COMVEX, CME, and fitness-to-practice evaluation administered on case by case basis
NJ	
NM	Some applicants submit to a mini-sabbatical at UNM which can be from 2 weeks to several months to determine competency
NY	Issue is under study (BM); Every instance of re-entry to practice takes into consideration the specifics of the circumstances in order to establish specific re-entry conditions and terms, therefore the SPEX/COMVEX, CME, or evaluations may or may not be required.(PMC)
NC	Application, Birth Certificate, FSMB Board Action Data Bank report, CME (past 3 years), fingerprints, background check, fee. Additional information requested by the Board.
ND	SPEX/COMVEX, CME and fitness-to-practice exam administered on case by case basis
OH	Sec. 4731.222, Ohio Revised Code, permits Board to impose conditions on a license if physician has not been in practice for two or more years
OK-M	Out of Clinical practice for more than 2-5 years. (SPEX/COMVEX, CME and fitness-to-practice exam are optional)
OK-O	
OR	N/A
PA-M	CME is required for all Reactivations. The Board may require applicants who have not actively practiced for four or more years to successfully complete a clinical skills evaluation and/or retraining program. SPEX/COMVEX may or may not be required.
PA-O	CME is required for all reactivations. SPEX/COMVEX and fitness-to-practice evaluation could be asked for a physician, depending on the Board's decision. These are not requirements for all re-entry applicants.
PR	
RI	Regulations pending
SC	Statutory Process for reinstatement, re-entry term not used. SPEX/COMVEX, CME and fitness-to-practice exam administered at the Board's discretion
SD	Competency evaluation, admittance into the Medical Board Monitoring Program (MBMP)
TN-M	
TN-O	
TX	SPEX/COMVEX and CME on case by case basis. TMB has a an "active practice rule."
UT-M	SPEX/COMVEX required after 5 years out of practice; 40 CME hrs within 2 years immediately preceding reinstatement application; fitness-to-practice exam administered on case by case basis
UT-O	SPEX/COMVEX required after 5 years out of practice; 40 CME hrs within 2 years immediately preceding reinstatement application; fitness-to-practice exam administered on case by case basis
VT-M	
VT-O	
VI	
VA	
WA-M	See WAC 246-12-040
WA-O	Fitness-to-practice evaluation addressed under Uniform Disciplinary Act chapter 18.130 RCW
WV-M	SPEX/COMVEX and fitness-to-practice evaluation administered on case by case basis
WV-O	
WI	If the license is renewed within 5 years of the biennial renewal date, the license is renewed when the continuing medical education requirements from the unlicensed interval are completed. After 5 years, re-registration is required.
WY	If the license is renewed within 5 years of the biennial renewal date, the license is renewed when the continuing medical education requirements from the unlicensed interval are completed. After 5 years, re-registration is required.
