APPLICATION FOR LICENSURE

INSTRUCTIONS

GENERAL INFORMATION

Board Application Process

1. **All applicants for licensure in New Hampshire are required to submit their background credentials to the Federation Credentials Verification Service (FCVS).** FCVS is a service of the Federation of State Medical Boards, a non-profit organization representing the 70 medical and osteopathic boards of the United States and its territories. FCVS was created to help simplify the licensure process for physicians (both MDs and DOs).

By eliminating the re-verification of documents that never change, physicians benefit from a shortened credentialing process when applying to another state board. This profile can be updated and sent to boards and other entities as needed. Currently, 55 medical boards accept FCVS profiles in lieu of the applicant providing original credentials for verification. New Hampshire and 13 other state boards require all applicants to use FCVS for credentials verification.

FCVS requires a one-time submission of education and training documents directly to a depository maintained by FSMB. The documents verified and securely stored include:

- Identity
- Medical Education
- Postgraduate Training
- Exam History (state licensing authorities only)
- Board Action/Disciplinary History
- ABMS Board Certification
- ECFMG Certification (if applicable)

2. **All applicants must also complete the Uniform Application for Physician State Licensure (UA),** another service provided by FSMB. Similar to FCVS, the UA eliminates redundancy when applying to multiple participating states. After completing the UA for the first time, your application is securely stored and can be resubmitted to another board without reentering the same information. You would make updates as needed and complete board-specific requirements.
3. **In addition to the FCVS and UA applications and processes, you must submit additional information directly to the Board.** The Board will use this information, along with the FCVS profile, to assess your qualifications for licensure. The Board conducts an independent background investigation. Please allow a minimum of 8 weeks for the entire licensure process to be completed. If you have malpractice or disciplinary history, it can take an additional 2 or 3 months for all pertinent documentation to be received.

The Board meets and reviews applications on the first Wednesday of each month. Only applications that are complete, including all outside verifications, will be forwarded to the Board for review. The agenda for Board consideration is closed at 12:00 pm on the Friday before the Board meets. Applications completed after 12:00 pm will be placed on the next month's agenda. Faxed materials are not acceptable. Licenses will be issued within 7-10 working days following the Board meeting and are emailed to the email address furnished in your application. You are responsible for notifying the Board office, in writing, if your address changes in the interim.

Please continue to review the remaining portions of this application packet for instructions and other materials necessary to complete the Board application. If you have questions about this application process or would like to check on the status of your Board application, please call the Board at (603) 271-6935.

Temporary License Application Process

Since the FCVS application process is fairly lengthy, and unless you already have an FCVS profile, you may want to apply for a temporary license in New Hampshire. A temporary license, if issued, is valid for only 6 months and requires you to provide a completed application, with the exception of the FCVS application, and additional information as follows:

1. Evidence of qualifications as follows:
 - a. Proof of a full, unrestricted medical license in another state received directly from the state licensing authority; or

- b. Certified copies of medical degree diploma, proof of 2 years of postgraduate training which meet the requirements of Med 302.01, and proof that you have passed one of the licensure examinations listed under Med 303.01;
2. Proof that you have applied to the FCVS with full intent to complete the FCVS process; and
3. The temporary license fee of \$50.00. Make check payable to TREASURER, STATE OF NEW HAMPSHIRE. **Please submit one check for the temporary license fee (\$50.00) and a separate check for the full license application fee (\$320.00). Fees are not refundable.**

**** Before applying for the temporary license, please contact the New Hampshire facility you are applying at to confirm that they accept the temporary license.**

Licensure Requirements

Before completing the application process, please review the following requirements for licensure in New Hampshire:

- Obtained the M.D./D.O. degree or its equivalent as determined by the Board;
- Completed at least 2 years of postgraduate training in the U.S. or Canada approved by the Board, or its equivalent as determined by the Board;
- Successfully passed a national licensing examination sequence (or its acceptable hybrid combination) as approved by the Board on each examination, including:
 - National Board of Medical Examiners (NBME) Part I, II and III;
 - Pre-1985 FLEX or FLEX Component 1 and 2;
 - USMLE Step 1, 2 and 3;
 - NBOME Part I, II and III (or COMLEX);
 - Licentiate of the Medical Council of Canada (LMCC).

If you do not meet, or have questions about these requirements, please contact the Board prior to submitting your application.

General Instructions

1. All documents you submit must be originals, signed on letterhead unless notarized copies are specifically authorized.
2. You will receive an acknowledgment letter once your application has been received. This letter will advise you of what information, if any, is outstanding at that time. If you do not receive an acknowledgment letter within 30 days, please contact the Board between 8:00 A.M. and 4:00 P.M. EST.
3. With the acknowledgement letter, you will receive paperwork to complete a criminal background check. **Pursuant to RSA 329:11-a, you are required to submit a notarized criminal history record release form, along with a fee, which authorizes the release of your criminal history record, if any, to the Board. This form will be provided to you with your acknowledgment letter once your application has been received by the Board. PLEASE NOTE: the criminal history submitted to the Board from the N.H. Division of State Police shall only be valid for three (3) months from the time it's received in the Board's office.**
4. Make a check, postal or express money order (in U.S. funds only) for the application fee of **\$320.00** payable to: TREASURER, STATE OF NEW HAMPSHIRE and staple it to the upper left-hand corner of the first page of the addendum. This application fee is **non-refundable**. [NOTE: This is the Board application fee. The FCVS verification fee is an additional and separate fee paid directly to FCVS.]

(An additional \$50.00 fee is required if requesting a temporary license. Please submit one check for the temporary license fee (\$50) and a separate check for the full license application fee (\$320).

5. Original letter of reference, on letterhead and addressed to the board, from:
 - a. The chief medical officer or president of the medical staff in every hospital in which the applicant currently holds staff privileges; or
 - b. Letters of reference from 2 practicing physicians.

Reference letters must be originals submitted on letterhead. References may be submitted by the applicant or by the physician providing the reference.

6. Submit a notarized copy of your American Board of Medical Specialty Certificate(s), if applicable.
7. Submit your curriculum vitae.
8. Submit a notarized copy of your current Drug Enforcement Administration (DEA) certificate.

Use the checklist at the end of this document to ensure you submit everything needed. Mail the items listed to:

**NEW HAMPSHIRE BOARD OF MEDICINE
7 Eagle Square
CONCORD, NEW HAMPSHIRE 03301-2412**

Other Information

Your application process is not considered complete until your Board application, licensure verification(s), and FCVS Physician Information Profile are received in a manner satisfactory to the Board. The Board will not accelerate processing of one applicant at the expense of others for any reason. Once completed, your application will be reviewed at the first available Board meeting. Please allow 7-10 working days following the Board meeting for your license to be mailed to you.

Note: Do NOT make commitments to start practicing medicine in New Hampshire until you have been issued a license.

INSTRUCTIONS FOR COMPLETING THE BOARD APPLICATION

To work on your FCVS application for credentials verification, visit <https://portal.fsmb.org/MyFsmb/> and click on the FCVS graphic, then sign in. You may also visit <http://www.fsmb.org/> and click on FCVS in the Licensure menu to access the portal page. Please note: Designations to Self are for receiving your own copy of the profile. Boards do not accept Self designations.

If you are using FCVS for the first time, complete an Initial FCVS Application. If you are updating your existing FCVS profile, complete a Subsequent FCVS Application. During the application process, designate your profile to be received by the New Hampshire Board of Medicine. A profile with a Self designation will not be accepted.

For assistance with FCVS, use the messaging tool within FCVS or call 888-275-3287 with your FCVS ID number between 8am and 5pm CT Monday through Friday.

To work on your Uniform Application for licensure, visit <https://portal.fsmb.org/MyFsmb/> and click on the UA graphic, then sign in. You may also visit <http://www.fsmb.org/> and click on Uniform Application in the Licensure menu to access the portal page.

For UA assistance, see the UA FAQ at <http://www.fsmb.org/licensure/uniform-application/faq>. If your issue is not listed, contact UA customer service at 800-793-7939 or ua@fsmb.org with a description of the problem. If you see an error message, please email a screenshot.

Please note the following:

- You will be asked to complete a chronology of activities of all working and non-working time since medical school graduation and provide details of any malpractice liability claims. Having this information on hand before you begin will help you to complete the UA more efficiently. Failure to submit all required information and documentation will result in processing delays.
- If not pre-filled, provide your home address and a separate address for business or postgraduate training. Both Board Contact and Public Access selections must be made but you can use the same address for each selection. All home addresses must be domestic, as fingerprint cards and other background information are mailed there.
- The Board is required to obtain your SSN for the purpose of child support enforcement and in compliance with RSA 161-B:11. This collection of your SSN is mandatory.
- If not pre-filled, enter each training program in the United States and Canada in either the ACGME Training page or the Other Training page. Enter postgraduate programs outside of the United States and Canada on the Chronology page.
- You are not able to add or edit MD or DO license information in the UA because that information is sent directly from the state boards into the FSMB system. If changes are needed, email ua@fsmb.org with the correct information. Depending on volume of license update requests, it may take 1-3 business days for the changes to appear in your UA. Do not enter MD or DO license information under “Other”.
- If you hold a medical or osteopathic license or licenses in countries outside of the United States or Canada, provide that information on a separate sheet of paper to the Board.
- Your Chronology of Activities should cover each of your activities (non-working time included) from medical school graduation to present. Previously listed medical school and postgraduate training programs will pre-fill the Chronology. Do not leave gaps. For each entry, use the first day of the month for start and end dates unless you know the exact date. If you have military or locum tenens assignments, list each location separately.
- Clinical time indicates time spent seeing patients and practicing medicine. Administrative time indicates time spent on paperwork, research, or teaching.
- Leave the malpractice liability claims section blank only if you have had no claims. List all pending claims.
- Upon accepting the Terms and Agreement and submitting the UA, first time UA users will be taken to a payment page for the one-time service charge. This charge sustains the UA program and is separate from FCVS and state board licensing fees.
- For a copy of your receipt, click on the “Home” link to return to the portal page, which will now have a Payment link to all FSMB receipts in the upper right corner.
- To open your UA for editing and resubmitting to a board, or for submitting to a new board, sign in and choose the appropriate board in the State Board section. Reselect the US Citizen query on the Identification page (it resets each time a UA is submitted), make changes as needed, then submit or resubmit your UA.
- Refer to the UA FAQ at <https://www.fsmb.org/licensure/uniform-application/faq> for answers to the most common UA questions. If your issue isn't listed, contact UA customer service at 800-793-7939 or email ua@fsmb.org with your username and a description of your issue. Provide a screenshot for each error you see.

In addition to completing the core UA online, applicants must:

- Submit a notarized UA Affidavit and Authorization for Release of Information form to the Board. The UA Affidavit is separate from the FCVS Affidavit and must be sent to the Board, not to FCVS or FSMB. Follow the instructions on the form.

- Have each full, temporary, training, or limited healthcare or profession license or certification you have ever held in the United States or Canada verified by the granting board, whether the license is currently active or inactive. To determine the fees and preferred verification method for each board, use the resource at <http://www.fsmb.org/licensure/uniform-application/>. If a board uses VeriDoc or other electronic format for verifications, do not use the UA verification form. **PLEASE NOTE: the verification shall only be valid for six (6) months from the time it's received in the Board's office.**
- Complete the FCVS initial or subsequent application.
- Complete all other board requirements as instructed.
